Being impressed, as the primary cause, by the way this tulku benefits the Buddha's teachings, and through the condition of being requested by some of his students, this prayer was written in the third month by the one called Gyaltsap Kirti. May its benefit increase.

By Dzogchen Ponlop Rinpoche

Recently, I heard that Rinpoche has been unwell, which caused me great concern. For the benefit of the teachings and sentient beings, it is essential that he live long.

ཀ་དག་འགྱུར་མེད་དབྱིངས་ཀྱི་ཆོས་ཉིད་དང་།།

Ka dak gyur me ying kyi chö nyi dang

By the power of the truth and blessings

ལྷུན་གྲུབ་རྟེན་འབྲེལ་མཆོག་གསུམ་རྩ་གསུམ་གྱི།།

Lhün drup ten jung chok sum tsa sum gyi

Of the dharmata of the unchanging expanse of primordial purity,

བདེན་པའི་བྱིན་མཐུས་མཆོག་སྤྲུལ་རིན་པོ་ཆེ།།

Den pe jin tü chok trul rin po che

The spontaneously present dependent arising, and the Three Jewels and Three Roots,

ཀརྨ་ཚུལ་ཁྲིམས་འགྱུར་ཞེད་ཞབས་བརྟན་གསོལ།།

Karma Tsultrim Gyurme zhab ten sol

May the supreme tulku Rinpoche, Karma Tsultrim Gyurme, live long!

ཞེས་ཕན་རྩོགས་ཆེན་དབོན་སློབ་ནས་གང་ཤར་ཐོལ་ལྟང་དུ་བིས་ཏེ་ཕྱལ། སརྦ་མངྒ་ལཾ།།

This was spontaneously composed and offered by myself, Dzogchen Ponlop, as it arose in my mind. Sarva maṅgalam!
